Gray: 405320	Terra Cotta: 405460
Med. Brown: 405390	White: 405490

Stamp Release Agents

30 lb. Pail

- **COVERAGE:** Approx. 1,000 sq. ft.
- Advanced Release Agent is a combination of hydrophobic materials in a powdered pigment form
- Used primarily in stamping concrete
- Release Agent allows the stamp to be removed without pulling or suctioning the concrete
- Pigmented (colored) Advanced Release Agent achieves a two-tone antiqued look when used with Advanced Color

Adobe: 406450	Peach: 406750
Charcoal: 406625	Pewter Gray: 406775
Coral: 406650	Silver Gray: 406250
Moc Brown: 406720	Terra Cotta: 406800
Naples Red: 406725	

Color Hardener

60 lb. Pail

- **COVERAGE:**
Light to Medium Colors: 50 to 70 sq. ft.
Darker Colors: 70 to 100 sq. ft.
- Color Hardener is a ready to use, dry shake material for coloring, hardening and finishing new concrete floors, walkways, decks and stamped concrete

NOTE: Colors above will vary between picture and actual pigmented color.
